

# The Royal Review

April 2007

## From the President:

Two years ago, when I was elected to serve as the President of the CBPA, I openly admitted I was stepping out of my comfort zone. Most of you who know me realize I prefer working behind the scenes getting things done.

The past two years have been an enjoyable time in my life as the RBMB, CBPA, and music programs in general have thrived and flourished. These accomplishments have been realized as a result of the students, parents, and school staff working together for the common good. We all have much to be grateful for and I want to extend my personal thanks to each of you for your assistance during my two year term.

Congratulations and my best wishes to Cassie as she assumes the role of President for the Association. I have been hoping and praying since December that someone would step forward to lead this group over the next two years; and that prayer has been answered. I plan to remain active in the CBPA during the next 12 months.

I want to express my thanks to the membership for allowing me to serve as

President of this fine Association. I trust the Courtland Band Parents Association is just a little better than when I assumed the position of President.

Thanks again for a fun 2 years.  
Your President,  
Karen
